Refund Policy

This product can be evaluated, **free of charge**. We provide free trial periods to let you fully evaluate our products before you make a purchase decision. Please use the trial period to make sure that the product is compatible with your computer systems and meets your needs before purchasing a license.

After purchasing our product and your payment has been cleared, you will receive an email with the purchase code to install and activate the software. Once this information is emailed to you, **the refunds option will no longer be available**. We have this policy since once activated the license can not be withdrawn and you will not be able to return it so we won't be in position to refund.

Ordering a software license signifies that you have read, agree with and fully accept the terms of this refund policy.
